"Fast from the words in your heart!"

Soul the Knight

- Peace be upon you, Peter!

- Peace be upon you, dear knight, Soul!.. amazing!.. today you came early!.. Peter answered.

But Soul the Knight looked around then said:

- Actually... I didn't come for the story... I have came looking for...

Soul The knight, suddenly, jumped off his horse, wielding his sword, the Sword of Truth, and ran towards the tree.

The sound of striking swords had risen before Peter heard the sound of a getting-away horse, but Soul the Knight shouting at him:

- Come back, you coward!.. come back and fight me as man!

But the hidden knight ran away quickly as the voice sounded, then Soul the Knight went back to Peter, saying:

- He was honest who said: May Allah curses the devils and demons and adorns them with shackles and chains!

Peter laughed and said:

- But... isn't that your sentence?!

- Yes, I was honest when I said it!

Peter smiled and said:

- Now!... Tell me; who was that?

- That was the Black Devil!

- What???.. The leader???.. Come on faster.. Tell me the story from beginning to end.. Where did it happen?.. What happened?.. How did it happen?.. When and.....???

- Calm down, Peter.. Calm down!

- I will not calm down before I know the details,

and the details of the details, and the details of the details of the details and...

- Peter!!!!

The knight exchanged a look with Peter and sat under the tree, catching his breath. Then said:

- Do you know what the Black Devil hates the most?

- No.. what is it?

- What he hates... is prayer!

- Prayer?!

- Yes.. prayer, especially pure prayer.. I mean perfect prayer.. and when he feels that someone is beginning to be good at his prayer, he comes

by himself to destroy it!

- What a hater! .. I will not let him do this to me, I am a hero!

- What a pity!.. Prayer is spoiled when you say: I am a hero.. You must feel that only Allah makes your prayer good and pure, not you.. Anyway, this is what happened with Steven!

- Who is this Steven?

Soul The Knight took a deep breath and began to tell his story with a smile:

"After I prayed Dawn-Prayer in the mosque today, I noticed that those who attended the Dawn-Prayer were few; only about five persons, so this saddened me and made the jewelry of my heart black.. I put on my glasses of insight and went out the door of the mosque, insisting to fight the demons when...

I found myself face to face with the hateful Black Devil, it bothered me a lot that he was entering the mosque.. What insolence!

But he was accompanied by a late young man

who had missed the collective prayer, so he stood sad and said:

- Oh, Allah! .. Why am I so late?

I read on my red Inspiration Tablet that this young man is Steven and he loves to pray, but he has a problem.. He suffers from vanity that Devil blows into him!

Steven sighed sadly, then stood in a suitable place and began to pray, while the devil on his left says to him:

- Amazing!.. you legendarily improve your prayers!.. I mean, I don't think that this mosque saw a better worshiper than you!

The hater put his hand on his jaw to catch his laughter and said:

- What amazing this kneeling is!.. fantastic.. amazing, Steven!.. go on, you are a hero!

So anger boiled in my heart, I approached, filled with furies, while the devil looked at me mockingly and said:

- You want to fight me in the house of Allah, Soul?! .. You can't!

I answered him with confidence:

- Yes, I want to fight you, but with what is cuter than swords; with my tongue!

He looked at me scornfully as I approached the right of Steven and said to him.. of course, he couldn't see me:

- No, Steven.. Allah does not like cocky and arrogant .. What you hear is not the voice of angels, but the voice of the damned Devil!

Devil shouted pretending that he is not him:

- Did you hear what the devil just said to you?!..don't listen to him, God loves you, you are excellent!

I was really fed up with this devil who lies to the young man and says about me that I am a devil, so I closed my eyes and sincerely asked Allah for help, then I said to Steven:

- If you want to improve your prayer..never

praise it and don't listen to anything in your heart.. I mean, fast from the words that are in your heart!

The devil shouted laughing:

- You can't!.. you can't!

He approached him and said with lies and deception:

- Beware.. there is an insect going to bite you.. raise your leg quickly!

He wanted to make him think that there is actually an insect in order to distract him from prayer, but quickly I said:

- This is the first test.. you should not listen to him at all!

I was happy that Steven responded to me, but when he ignored Devil, Devil frowned and said:

- See?!.. your leg itches you.. the insect has bitten you indeed, maybe it was a poisonous insect.. I am afraid you will suffer from this bite for a long time, maybe you will lose your health or even your life.. hurry up, you must examine your leg as fast as possible!

But Devil was stunned when Steven did not

listen to him, he said annoyed:

- Allah loves you..so he will not be angry if you keep this evil insect away from you!

But, indeed, Steven ignored this as well what made Devil feel ashamed, he said deceptively:

- Oh poor..God does not love you.. so he made this insect stinging you.. even though you are praying!

What a disappointment for Devil when Steven succeeded in ignoring him again as well!, the hater Devil started hitting the ground with his feet and saying in anger:

- Do you remember how good the sweets that your father brought were? .. I wish you ate your sister's piece, because you love this sweets so much while she is young and does not understand anything!

Steven said from his heart: Allah is greater!..
Allah Akbar!

The devil's face turned red, he said hopelessly:

- How bad your friend Mike is.. without him, you

would have slept well and prayed Dawn-Prayer in congregation and...

But Steven did not give him his attention, and more than that, he said:

- I seek refuge in Allah, the Great, from the accursed devil!

Indeed, Steven said it from his heart and prayed the best, so the surprise happened!

The angels hurried to him from every direction and pushed Devil away until he found no place to stay, he was trying to escape with difficulty until he reached the door humiliated, panting, cursing me and saying:

- I will avenge you, soul.. you will regret.. you will regret!

Immediately I jumped leaving Steven in an amazing kind of happiness and rushed out of the mosque, I rode my mare "Piety" with one jump, then caught up with the hateful Devil until here as you have already seen me, but the hater ran away with the rest of his men..

Don't worry, Allah will disgrace him, Peter.. I am

extremely sure.. I trust Allah The Great!"

Peter said:

- Well said, sir.. I ask Allah to make the end of this abhorrent on your hands, good knight!

Soul the Knight smiled, the jewelry of his heart shone, he jumped on his horse saying in joke:

- Come on, Piety!..Good deeds await us.. I will not let Peter precede me to them!

Piety went while Peter said taking leave with a laugh:

- Do not try.. I will precede you to the Noon-Prayer Allah willing, I will master it and defeat Devil.. I am who will defeat him first!

Peter rolled over on his bed sadly, exhaling and saying:

- I don't understand.. Why didn't Soul the Knight come today?!.. I waited for him for so long in vain.. Did something happen to him or was he tired of coming?!

Sleep did not close to Peter's eyelids, so he got up to drink water when he saw his older brother on his way..

Immediately the two of them frowned at each other and each went to his destination, ignoring the other..

Peter entered the kitchen and began filling his
