Introduction

The cold autumnal wind 🌬️ blew playing with the yellow, green, and red leaves 🍂 that remained stuck to the dry tree branches and trying to take them away violently while the leaves were resisting and resisting... Peter was watching them and shouting:

- Green! .. Only the green ones will survive!

Suddenly Peter heard a voice coming from a far place.. from the old town road, so he got looking around and trying to catch any thing.. But sometimes he looked like a man on a horse and sometimes he looked like a mirage!

Peter's limbs froze as he was watching. What is this strange creature?!.. The moments passed quickly as usual, the strange white knight

arrived with his amazing white jewelry that adorns his chest!

Peter's astonished looks became scanning him from his head to his feet.. The knight stood, exchanging looks, and then said, greeting:

- God made you for him, Peter!

Peter was astonished when he heard his words.

- Y..you know my name?!.. How could you know my name?

- I read it on that red inspiration board when I saw you!

The white knight took out a sapphire tablet that radiates, shimmers, and amazes the senses!. Peter was dazzled, he yelled:

- Wow!.. amazing!.. Where did you get this strange gem from?

- God gave me it exactly like He gave you the brain, Peter!

- Well, since you know me, it is not fair that I

do not know you; Who are you, sir?

The knight looked at the sky with a solemn face and answered:

- I am Soul the Knight.. Soul of the heart!
- S..soul..heart?!..excuse me; This is the first time I have heard of this name and this family!
- Not a name or a family!
- What do you mean, sir?
- My name is Soul, because I am white, as you can see, and only every good person can see me.
- Good?!.. you mean the disobedient can not see you?
- No, only if you are good, you will see and hear me!

Peter replied with happy in his voice:

- I can see you!..that means I'm good!

- Not yet!

- What do you mean?

- You are a child; children are not yet righteous nor disobedient.. You have to work hard to be righteous when you grow up, dear!

- Hmm.. you mean all the children can see you?

- No .. only those who keeping their innocence!

Peter replied excitedly:

- I got it! .. What does "heart" mean, then?

- It means this!

Soul the Knight pointed to the beautiful jewelry on his chest and said:

- This is the jewelry of the heart.. When I see innocent or good people, it gets so white and

shining like this, but when I see the disobedient and guilty guys, it becomes dark black!

- Wonderful, sir! .. Really wonderful!

- I wanted to ask you: People in this city do not pray, right?

- On the contrary!..Everyone prays here..even the little ones!

- Impossible! .. I see your city in the dark!

- Dark?!.. We are in the day, it is clear!.. See for yourself if you don't believe me!

- No, not with eyesight, but with these insight glasses!

The knight took out glasses more beautiful than sapphire and put them on his eyes, saying:

- By this I see what the eyes cannot see. I see the light of hearts, Peter!..and in this city of yours I almost can't see any light!

- But how?!..We pray; we all pray!

- There is a problem.. surely there is a problem!.. it must be the black devil and his followers.. Nothing can solve this problem except the sword of truth!

Soul the knight raised his sword, the sword of truth, high in the sky, and suddenly moved his horse forward, saying:

- Come on, "Piety"... let's go to our mission!

So the purebred white mare stood up on its hind legs and got a whinny that rang in the horizons then sped away, but Peter immediately ran after her shouting and calling:

- Sir, sir!, take me with you!.. Please don't leave me!

Soul the knight stopped and looked back, saying:

- Peter.. You can't accompany me, but wait for me here at the same time, and I will pass by you every time I have finished one of my missions to tell you the stories of my adventures, Allah willing!!

Soul The knight ,like lightning, sprinted to the city, leaving Peter who was taking leave him eagerly, he was filling his eyes with looking at the knight, and enjoying his nose with his scent, and saying:

- When the appointment will come, when, when??

(1)

My chest feels like fire...

"The Smoking Young Man"

The sun was sending its dim autumnal rays among the running clouds, Peter was watching the sky how it was lighting up and darkening.. darkening and lighting up..

Suddenly, he heard a whining sound coming from the direction of the city, so he hurried while his heart was shouting with joy:

- Will I see you, the knight of my dreams?!

Immediately, the rider in his amazing dress and shining helmet appeared to him, he said to his mare as he stopped her:

- Here, 'Piety'!

Peter smiled and jumped happily, while the Soul

the knight, said to him in his solemn voice:

- Here I am as my promise, Peter! .. You shouldn't have doubted my sincerity and my fulfillment of my promise!

Peter smiled shyly and said:

- Now that I know you, I will not doubt that after today, especially if I hear your story as you have promised me!

Soul the knight smiled and jumped off his horse and sat down, saying:

"After I left you - Peter - I hurried to your city to do my mission, there I saw disasters wherever I went, I found the men of the black Devil causing corruption in the country and the people.

In the afternoon, a brown young man passed by me.. of course he couldn't see me, but I could see him smoking his cigarette and puffing that nasty black smoke..

From my side, I smelled another foul smell wafting around him what made me doubt, so I put on my glasses of insight to know the source of the smell..

By my glasses, I was able to see two devils from the soldiers of the Black devil hovering around him, laughing and winking as they drove away his angels from him and whispered to him with their ugly voice:

- How good it is!.. suck it up and enjoy, don't care!

At that moment, the jewelry of my heart turned black because of seeing them, my chest became exhausted and my patience ran out, so I immediately jumped off my horse and pulled out the sword of truth that does not disappoint and called:

- Allah Akbar!.. Allah is greater!

I rushed to attack them, but as soon as they heard my voice, they trembled, took out their swords and attacked me, we engaged (entered) in a long
